Parking location:

Parking for the meeting is located in the FedEx Cargo lot, just west of AvFlight hanger two. You can enter the FedEx parking lot, off Bristol Rd, which is just west of the airport. There will be signage along Bristol road and in the FedEx parking area. Please see the attached map.

Airport tour:

Directly following the meeting, there will be an airport tour, for those who are able to stay. There will be a shuttle on hand to transport you over to the airport and return you to the AvFlight parking lot. I would allow at least 20 minutes for the tour. We will show you air side and land side. Once you have gone beyond security and entered the air side you will have to stay with the group for the remaining part of the tour (roughly 10 minutes). For those who plan on attending the tour, we will need your full name and birthdate prior to the event.
