2018 has been a year of change and innovation. Let's take a look back at what occurred, some of the new entrants and how it affected all of us. As we review the past, we will want to discuss 2019 and beyond with an eye on how Corporate Travel Managers can add value to their travel programs. This interactive session will include a review of 2018, delivered by our speaker and with input from all attendees.

Learning Outcomes (per session)

All of us can gain knowledge through the shared experiences of others which will help in positioning us as we prepare for challenges and seek opportunities in 2019 and beyond!
